How to order

1. **Send your requirement** — product, specification, quantity and delivery city, on WhatsApp, phone, email or the website.
2. **Get our best quote** — within 24 hours on working days (Sunday to Friday).
3. **Confirm your order** — one PO and one GST invoice, even for mixed products. Pay only the company named on the quotation.
4. **Photos before dispatch**, then delivery. Free within Delhi NCR above ₹1,00,000 (before GST); elsewhere freight at actual cost.

Prices are not listed because they depend on quantity, specification and delivery location. Minimum order quantity (MOQ) applies to each product. Photos are representative; exact make, grade and finish are confirmed in the quotation.
